*~ It is highly recommended that you purchase your own drums. ~*

## PURCHASING NEW DRUMS

### **Qasim Khan Niyazi**

**[Student set linked here.](#)**

Student sets are available for \$400 USD, with a 10% discount if you mention my name (Krissy Bergmark). I love these tablas and highly recommend them. Shipping is relatively fast and the drums are very high quality.

### **Musician's Mall**

**[Student set linked here.](#)**

Student sets are available for \$412 USD from Musician's Mall. This is a drum supplier that purchases from several different makers, so if you are looking for more variety, this would be the place to shop.

### **Finding Used Drums**

If you have some lead-up time and are looking for a budget-friendly option, try checking:

**[Reverb.com](#)** - online resale for used and new instruments

**[Craigslist](#)** - online marketplace for individuals to sell used items (use with care and caution).

**[Facebook Marketplace](#)** - online marketplace for individuals to sell used items (use with care and caution).

I am happy to advise to the best of my abilities on any potential purchases!
